Summary

Commerce Student at Lovely Professional University | Aspiring to
Excel in Investment Banking and M&A

Currently pursuing B.Com at Lovely Professional University, I am a
dedicated commerce student with a passion for accounts, finance,
business laws, and economics.

Throughout my academic journey, I have developed a deep
understanding and fascination for the intricate workings of
accounting principles, financial analysis, and the legal frameworks
that govern businesses.

My ultimate career goal is to make a mark in the world of investment
banking and mergers and acquisitions (M&A). I am driven by
the dynamic nature of these fields and the opportunities they
offer to strategize, analyze, and contribute to significant financial
transactions.

I am eager to connect with professionals in the finance industry,
learn from their experiences, and actively seek internship
opportunities to gain practical insights and refine my skills.

Let's connect and explore ways to collaborate or share insights on
the exciting world of finance and business!
